

You are brushing your teeth SLOWLY.

You are drinking a cup of coffee QUICKLY.

You are typing a letter ANGRILY.

You are cooking a meal HAPPILY.

You are singing a song LOUDLY.

You are driving the motorbike
DANGEROUSLY.

You are whispering a name SOFTLY.

You are dancing GRACEFULLY.

You are playing with your son PATIENTLY.

You are putting the plates down
CAREFULLY.

You are greeting somebody POLITELY.

You are walking through a building
SILENTLY.

You are writing a letter SADLY.

You are chewing gum NOISILY.

You are opening a letter EXCITEDLY.

You are holding the baby GENTLY.

You are reading a book QUIETLY.
